Dear West Park Families and Students,

Welcome to the start of another great year at West Park Academy! The 2021-2022 school year is upon us and it brings a breath of fresh air; and opportunities to make up ground and strive for excellence in an “in person” setting.

I want to thank everyone receiving this letter for choosing West Park Academy as your educational partner, whether you are new to us this year or one of our many, many returning families! My name is Mike Jaissle, and I am the principal entering my sixth year leading West Park Academy and my 10th overall as an administrator.

At West Park Academy, you can rest assured that your scholar will be safe and receive personal attention from our talented group of teachers and staff, including social-emotional support. In my time at West Park, I have witnessed firsthand how much our scholars have grown and felt the overwhelming support from the community and parents. My desire is for West Park Academy to be your premier school of choice in our neighborhood for many years to come, and to be a community resource for all ages!

As we move through the summer and during the school year, you will receive information from me about events, important dates, and opportunities for you to be involved in your child’s education. My phone line and door are always open. Please feel free to contact me at any time! I can be reached at 216-251-5450 or at mfjaissle001@acawestpark.com.

Yours in partnership,

Mr. Michael Jaissle, M.Ed.
Principal, West Park Academy
