Dear West Park Families and Students,

My Name is Bradley Stokes and I am the new Principal of West Park Academy. I am eager to get to know all of you and work together collaboratively to create our positive school community. Welcome to the start of another great year as we are working hard this in preparation for the upcoming 2022-2023 school year. All of our staff are excited that you will be a part of many great things that will take place this year. I want to thank you for choosing to partner with us in your child's education.

At West Park Academy, every student will have a seat at the table and their voice will matter. I look forward to engaging all stake holders and value your commitment to education. Our school is a place where learning, engagement and fun takes place. We have an amazing group of teachers who work hard every day to prepare rigorous lessons that will meet students where they are and expand their minds to think deeper. We want to grow the entire child and prepare them for their future.

As we move through the summer and during the school year, you will receive information from me about events, important dates, and opportunities for you to be involved in your child's education. My phone line and door are always open. Please feel free to contact me at any time! I can be reached at 216-251-5450 or at [btokes1@acawestpark.com](mailto:btokes1@acawestpark.com)

Yours in partnership,

Mr. Bradley Stokes M.Ed.

Principal, West Park Academy
