Dear West Park Families and Students,

Welcome to the start of another great year at West Park Academy! The 2023-2024 school year is upon us and we are looking forward to building on the success of last year. We have been working very hard over the summer to ensure a positive social emotional and academic atmosphere at our campus.

I want to thank everyone receiving this letter for choosing West Park Academy as your child's place of learning. You may be new to us this year or one of our many, many returning families! My Name is Bradley Stokes and I am the proud Principal of this amazing school. At West Park Academy, you can rest assured that your student will be safe and receive personal attention from our talented group of teachers and staff. Every student will have a seat at the table.

This year we plan on high engagement in classrooms, new experiences and fun. It is my desire to help make West Park the school choice for many families in our community. As many of you know, we have made many updates last year to our school and over the summer we have done more. I am happy to announce that we have a brand new playground, new carpet, windows and renovated our gym space.

As we move through the summer and during the school year, you will receive information from me about events, important dates, and opportunities for you to be involved in your child's education. Please feel free to contact me at any time! I can be reached at 216-251-5450 or at bstokes1@acawestpark.com.

Yours in partnership,

Mr. Bradley Stokes M.Ed.
Principal, West Park Academy
